## DIRECTOR

**Captain Harjeet Singh Sethi**  
**Managing Director**

**Captain Harjeet Singh Sethi** is the Managing Director of the **AKAAL Group** of companies. He is the driving force behind the company's expansion programme and has earned a place of pride in the security and manpower industry.

**Harjeet**, as he is fondly called, did his schooling at **Daly College Public School Indore** and graduated in science from **Holkar Science College Indore**. He had his grooming in security and administrative environment while he was in **Indian Army (1987 – 1992)**. He proudly joined as an army in 9 Para Artillery Regiment, served for 5 years as a short service officer and got released.

Post Army tenure he served in several multinational companies like:

1. **G4S**: Worked as Operations Head with world's biggest security company at Bhopal, Madhya Pradesh.
2. **TOPS GROUP**: Worked as Branch Head with India's biggest security company at Bhopal, Madhya Pradesh.
3. **RANBAXY LABS**: Worked as Senior Manager - Administration with India's largest pharmaceutical company at Paonta Sahib, Himachal Pradesh.
4. **JINDAL STEEL & POWER LTD**: Worked as AGM Security & Administration at Raigarh, Chhattisgarh.
5. **HEIDELBERG CEMENT (MYCEM)**: Worked as GM - Security & Administration at Damoh, Madhya Pradesh.
6. **EICHER TRACTORS**: Worked as Head Administration at Bhopal, Madhya Pradesh.

After getting an exposure in the private sector he started his own venture in the year 2010. **AKAAL Enterprises Pvt. Ltd.** was incorporated in 2010. Initially it was a security guarding company but with time and experience it has become a total manpower solution provider company. With time **AKAAL GROUP** has few more companies in its fold... (Eagle Enterprises, Mahakaal Enterprises, Falcon Tours & travels, Café Chokólade, Sheena Hospitality Pvt. Ltd., AEPL Security Services Pvt. Ltd.)

## **WHY AKAAL???**

### **Our Unique Selling Proposition :-**

When you decide to out-source your Security & Hospitality services, finding a service company that can offer you quality and value for money is essential. We at **AKAAL** offer you much more. Here are a few reasons as to why we believe you should choose us.

### **Professionalism :-**

As a client, your needs come first - we listen to your ideas, then we advise, recommend and finally agree a planned Security & Hospitality service that will be unique to your requirements - modest or ambitious. While making sure that you retain overall policy control, we take full responsibility for the 'Security & Hospitality management'. You can forget about the day-to-day running and be totally confident that you have a prompt, efficient, and above all, a professional service at your disposal.

### **One-Point Responsibility :-**

You will have a one-point responsibility for all Security, Hospitality and related services, relieving you of unnecessary operating details.

### **Decentralized and Empowered Management :-**

We follow a proactive management style, which anticipates needs and responds to them effectively. Our decentralized management ensures that our managers are in close contact with their customers expectations. To complement the decentralized set-up, the corporate structure is not rigid and inflexible but one that is market and customer oriented, acutely focused and highly dynamic.

### **Long-Term Partnership & Transparency :-**

We are happy to operate on a **fixed-price, cost-plus** or any other mutually agreeable arrangement. We follow an '**open-book**' policy ensuring complete transparency with all contractual information spelt out completely and welcome inspection from clients or their auditors at any time. We believe that the most lasting business relationships are those which involve a high degree of partnership. Our service may begin with the day to day management of your security operation, but in working together we offer much more. Also, by sub-contracting service to us, we become an integral part of the clients business and are then able to meet the customary standards on a uniform basis wherever you operate - Definitely a **win-win** situation!

### **Financial Stability :-**

We have the financial resources to support our commitment to your operations and in addition we are open to pro-actively investing in our customers premises to develop long-term partnerships.

### **Selection of Personnel, Training & Development, Industrial Relations :-**

In tandem with a doctrine built on a “right person for the job”, standards of the highest quality in all aspects of personnel selection are ensured. We are also willing to absorb your existing Security, Housekeeping & Catering personnel. All our personnel undergo extensive training before deployment.

### **Efficiency & Cost-Effectiveness :-**

In every field of operation, keeping within strict budgets has never been more critical. A quality Security & Hospitality service is obviously a high priority, but it must also be seen in the context of other important needs, such as cost-effectiveness. Whatever the budget, we aim to offer the best service, within the limits agreed. Also, having worked with different customers having different needs, we can propose the most cost-effective customized solution encompassing all aspects.

*Integrating all our strengths together, **AKAAL** is able to provide a cost efficient, well-managed quality product, which in turn reflects on our clients and their employees. Putting it in a nutshell, we offer a refreshingly innovative approach to security & hospitality- our constant goal being the improvement of everything we do, every time.*

### **Our Company in-house provides manpower for the following:-**

- ✓ Office Management
- ✓ Technical Equipment Management, i.e., Call Centre.
- ✓ Mechanical Equipment Management.
- ✓ Horticulture Management.
- ✓ Data Entry Operators and many more.

We arrange for their selection, training and finally deployment on the job. We also do their complete payroll management, meeting all statutory requirements of the Government, i.e., PF, ESIC, Bonus, Gratuity, Leave Service Tax etc. Thus enabling company to provide cost efficient and well managed quality manpower so that company can concentrate on their business of Production.

We believe in the doctrine of “Right person for the right job”. We maintain a very high standard of quality personnel selection followed with extensive training to give value for its money. Thus our services are competitive and qualitative.

## **PERSONNAL**

**AKAAL's** ability to provide consistent high quality Services at competitive cost has been made possible by our deviation from traditional Form of Security & Hospitality management where job supervision is overseen by various Levels of management. At **AKAAL**, we have pioneered a program whereby our staff monitors your premise together with you and guarantees that your customized security schedule will be followed in an efficient, effective and professional manner. We feel that it is not the quantity of supervisor that matters but the quality of the supervisor that counts.

**AKAAL** employees selection, employee training and periodical inspections are to ensure that our services in your premises will meet your expectation. We understand that personnel selection; instruction and evaluation must be conducted in accordance to accomplish customers requirement. Taking into consideration the requirement of your business nature, our selection of employees entails a personal interview followed by thorough reference check. Our instruction to the staff involves combination of methods of work, which includes hand-on demonstration and printed instruction. This is to ensure that our workers will be able to execute the task given accurately and confidently. The system is employed to monitor our client's properties and facilities and with our experience enables us to effectively handle the labour demands and the financial requirement of any account we contract. Our personnel management techniques are unique and centered on cost control and provide a quick response to client needs as they change throughout the year.

## **STAFFING**

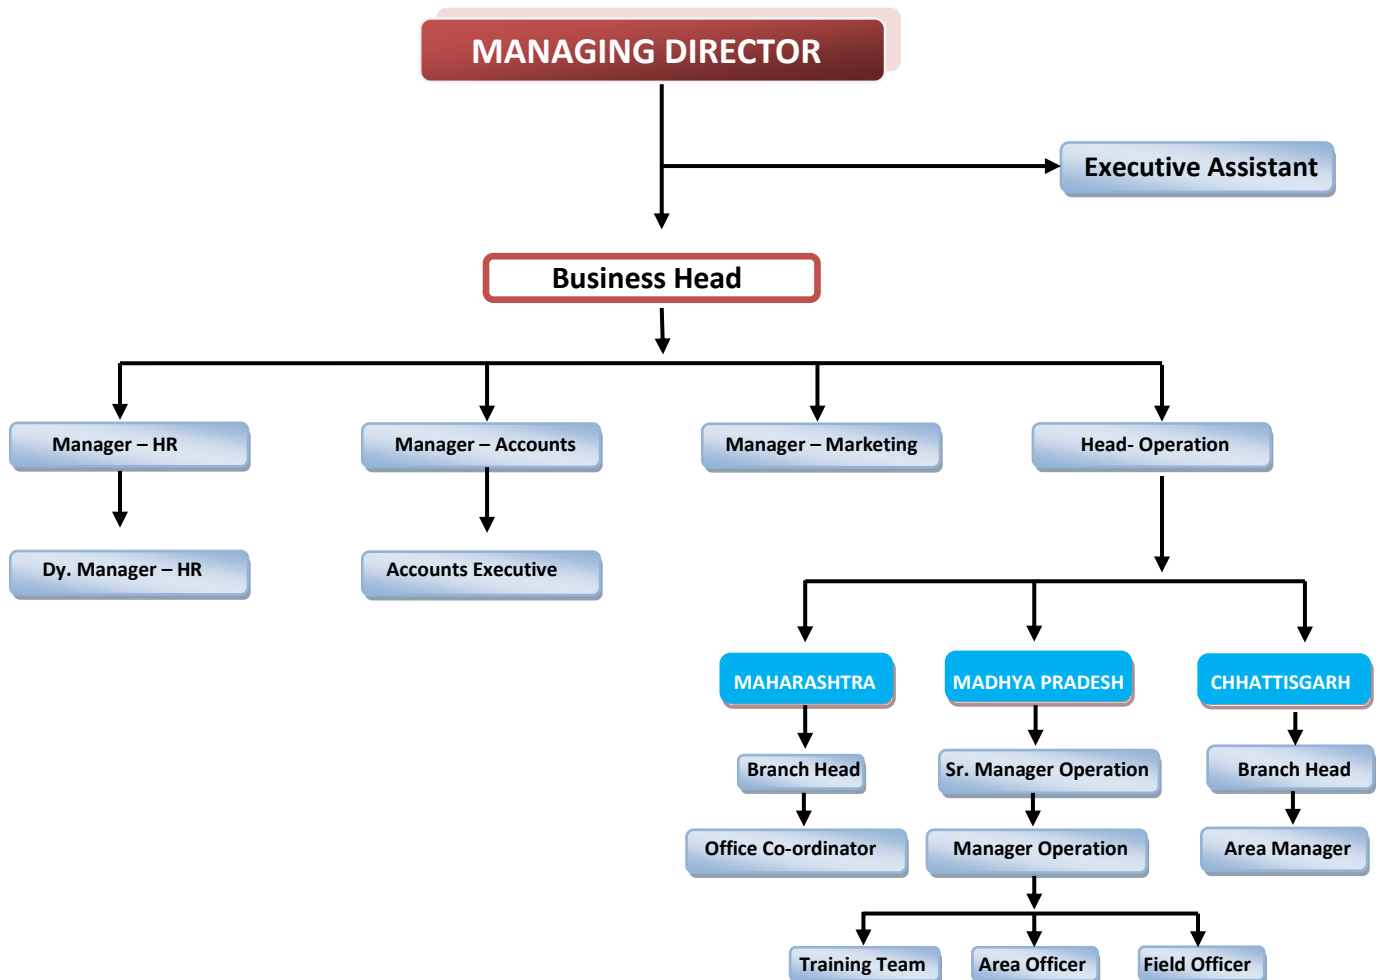

It is the intention of **AKAAL** that our client's premises are kept in secured condition at all times. The specification submitted herein will be considered minimum requirement. Therefore this specification will only be referred to as a guide rather than limitation to the services required to effectively maintain the facility. The facility is to be staffed to maintain an optimum condition of security. If the level of security at any time is considered to be unacceptable, then **AKAAL** will adjust its staff to take the necessary measures to overcome the situation. Staffs shall be adjusted as required to accomplish any periodical maintenance herein specified without abandoning the routine services. Any extra service shall be performed at a predetermined rate agreed by both parties.

## **CHAIN OF COMMANDS**

To enable us to provide quick and effective response to all the needs of our customer's requirement, we have a short and flexible and yet efficient chain of command. The personnel assigned to your facility are directly in charge of all day to day tasks. The personnel will work closely with the manager in conjunction with the operation of the immediate area. The operation manager is responsible for the Inspection of work and provides back up to ensure continuity of high quality performance. The manager conducts inspection primarily during business hours and periodically throughout the year.
